## RE: Qualifying Foster Care Charitable Organization – Program Update

Greetings Mr. Adelson:

This letter is to inform you of administrative changes to the Credit for Donations made to Qualifying Foster Care Charitable Organizations. All certified charities have been assigned a QFCO Code. This code will identify your organization to donors seeking to utilize the tax credit.

Your organization's assigned QFCO Code is: **10026**.

Donors will be required to use this code when taking the tax credit on their income tax returns. Therefore, your organization should refer to this code in your materials and for anything you provide to your donors. This code has been added to the 2018 list of Qualifying Foster Care Charitable Organizations on the Arizona Department of Revenue website. To view the list, navigate to [azdor.gov](http://azdor.gov), click on "Tax Credits", "Contributions to QCOs and QFCOs" and then select the 2018 QFCO list.

If you have any questions, please email them to [QCO@azdor.gov](mailto:QCO@azdor.gov).

Best regards,
