

AASK SIBLING CAMP

AASK's Sibling camp is around the corner! If you can not come as a volunteer you can still help out. Sibling Camp is not possible without the right resources. Check out our wish list of general camp supplies and birthday gifts needed to make camp magical this year! Purchase items directly off the list or use them to find the supplies elsewhere. With your help, siblings in care will have an opportunity to reconnect and build lasting memories!

Please make sure to make your selections before May 31st.
If you have any questions please contact RJ Nunziata at rnunziata@aask-az.org
