

Free Information Sessions

You can make a difference in a child's life!

Our free information session is your first step to learn more about AASK and how we support caring adults, like you, who want to help children in foster care in Arizona.

Even if you have had an orientation session elsewhere, we recommend attending this session to learn more about AASK as you decide which agency is right for you.

Information sessions are held in convenient locations throughout the Valley, and are available in English and Spanish. There is no need to pre-register — just select which day, time, and location works best for you and attend. The sessions are about two hours long. Adults only, please.

If you currently have a child in your home who is involved with DCS, please call us for specialized instructions at 602-930-4900.
